Reminisce the events of January 2026

Dear PSGIM Alumni,

Welcome to the January 2026 edition of the Alumni Newsletter.

We are excited to share the journal of 2026's first chapter. Stories creating headlines, stories ushering in a new dawn for the purposeful chapters ahead, and an event that Coimbatore is talking about.

Rapport 2026:

Rapport 2026 held on January 24, brought together alumni from across batches for an evening of knowledge exchange, networking, and music, "High on Octaves"

Speaking at the Regional Leadership Dialogues, Mr. Radhakrishnan Govindaraj, MD, Sieger Spintech Equipments Pvt. Ltd. shared insights on business development, underscoring the importance of translating personal values into professional impact. Mr. Senthil Sankar, MD, Shree Renga Polyester Pvt. Ltd. reflected on his entrepreneurial journey, highlighting how innovation-led manufacturing, strategic location choices, and investment in R&D enabled his firm to scale waste to wonder.

Srijana 2026:

PSG Institute of Management conducted its flagship inter-collegiate festival, Srijana 2026, on January 7 and 8, 2026. The fest was a student-centric kaleidoscope of competitive events and real-time business showcases, which served as a dynamic learning platform for its participants.

At this unique convergence of academic insight and industry perspective, the following alumni from diverse professional spheres exhibited their participation by serving as mentoring jury members across various events and interacting with industry innovators.
